Supplementary reading/resources

The subject guide for this unit details extensive supplementary reading and websites which are not essential reading but useful for those who want to read more widely.

Making use of the Online library

- To help you read extensively, all External students have free access to the University of London Online library where you will find the full text or an abstract for many of the journal articles listed for this unit.
- The Online library is accessed via the Student Portal at <http://my.londonexternal.ac.uk/>
- For most journals, the username and password you need is the same as the one which you have been sent to use for logging in to the Student Portal.
