# How to apply and register

## Postgraduate programmes in Information Security

You can **either** apply online: [www.londoninternational.ac.uk/prospective\\_students/postgraduate/holloway/info\\_security/apply\\_online.shtml](http://www.londoninternational.ac.uk/prospective_students/postgraduate/holloway/info_security/apply_online.shtml) **or** by post, using this application form.

Do **not** submit an online application and one by post. If you do, this will inevitably delay **both** applications.

If you decide to apply online, please ensure you print off (or refer to the 'Guidance notes for applications' (Postgraduate): [www.londoninternational.ac.uk/forms/online\\_application\\_forms/guidance\\_notes.pdf](http://www.londoninternational.ac.uk/forms/online_application_forms/guidance_notes.pdf) **before** you complete the online application.

If you prefer to send your application by post, please follow the instructions below.

### Stage 1

**Complete the application form** and submit it by post (not by fax), together with all the documentation listed on page 7 of the form, to:

We must receive your application form plus all documentary evidence and references in London **by 31 May** – if you intend to take your first examination in June (of the following year). If your application form or documentary evidence/references are received after this date, we may not be able to consider your application in time for you to register by the deadline for the next examination. You might have to postpone your first examination until the next sitting.

### Stage 2

You should receive an acknowledgement **within three weeks** of posting your application, but if you do not please contact the Postgraduate Admissions Office with details of your full name, the programme for which you have applied and the date you posted your form.

### Stage 3

**Your application will be considered** only when we have received all your documentary evidence and both references. After due consideration you will be told if your application has been successful or not.

Note:

- if there is a delay in sending any of the documentation or your references we will have to wait to receive them before we can begin considering your application. This is because we need to have as much information about you as possible before we can reach a decision.

### Stage 4

**If your application has been successful** we will send you:  
– a conditional offer of registration. Please note that the offer of registration will be valid only for the year specified in the offer letter  
– a fee slip for the registration and module fees (see 'Note' below)

### Stage 6

Note:

- You are asked to note that there is a limit to the number of students who can be registered for this programme.
