

References / Documentary Evidence

Entry Route 1, if applying for this route then we will require the following:

- One work reference*. This should be provided by someone in a senior position to you. They should be able to comment on your performance and they should be from the company that you are basing your relevant work experience on (if you are a CEO / MD etc. then the reference should be provided by a client)
- Curriculum Vitae / Resume
- Verified evidence of your degree / professional qualification
- Evidence of your full name and date of birth

Entry Route 2, if applying for this route on the basis of relevant work experience then we will require the following:

- One work reference*. This should be provided by someone in a senior position to you. They should be able to comment on your performance and they should be from the company that you are basing your relevant work experience on (if you are a CEO / MD etc. then the reference should be provided by a client)
- Curriculum Vitae / Resume
- Photocopied evidence of your full name and date of birth

Entry Route 2, if applying for this route on the basis of your qualifications then we will require the following:

- One academic (character) reference*. This should be provided by an academic who can comment on your academic performance, from the university / institution that you are basing your previous study on.
- Curriculum Vitae / Resume
- Verified evidence of your degree / professional qualification
- Photocopied evidence of your full name and date of birth

*** If you are unable to provide the required reference then you should [contact-us](#) as we should be able to advise you on an alternative.**

Further information on how to submit acceptable forms of evidence can be found at: [how-apply](#)
